Lynn,

I'm getting ready for Friday's Talk of the Town and I have questions. Who is on the Collins township board with you? I know you were a write in, was anyone else? I faintly remember there being one name on the ballot but can't remember who it was. How often do you meet? Does the township have any responsibilities since the county does the roads? Any information about our township activities will be appreciated.

We are doing family visits on the next two weekends so it will be a while before I get back to class. Sorry I will miss the discussion next week about Sunday morning schedule but I figure Casey can handle it. I think we are in agreement on the issue.

Subject: Re: Collins Township Hi Mardi,

I don't know very much about Collins township. We have yearly meetings and annual audits. We only take care of about 2 miles of roads in southwest Collins township. We don't require any tax funds. Several years ago, when Alfalfa Center School was dissolved, the school board gave the school to the township. The township then sold the school land and building and are currently using the interest from that sale to pay expenses. I suggest that you call Dorene Sheen at 237-7339 ( Mrs. James Sheen) for further information.

She is the secretary of the board. Also, you might call Steve Sheen. Steve has been the chairman of Collins township for many years. Steve is the one that started the write-in campaign for my election. Seriously, Steve is very knowledgeable about the happens within Collins Township.

Have a great day

Lynn

Mardi,

Sorry--

I see I put your phone number in the E-mail for Dorene- Dorene's number is 237-3125.

See I am getting older and forgetful.

Lynn
